### Deafness Cannot Be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and the tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars to any case of Deafness (caused by Catarrh) that can be cured by Hall's Catarrh Cure. Send for circular.

## PIKE COUNTY NEWS

### REV. AND MRS. VINSON ARRIVE.

Rev. J. H. Vinson, the new pastor of the M. E. Church, South, of this city, arrived with Mrs. Vinson from their former home at Point Pleasant, West Va., last Saturday, and they spent the first few days of their time in this city at the home of Mr. and Mrs. F. T. Hatcher on College-st. On Sunday morning Mr. Vinson preached the first sermon of his new charge at Pikeville, and quite a considerable congregation was out to hear him.

Mr. Vinson is a studious and painstaking young man, with all the bearings of a scholar and polished gentleman; and the easy grace and winning manners of Mrs. Vinson have gone far toward placing her in the position which her predecessor, Mrs. Fannin, so fittingly occupied. It is our prediction that they will be quite popular here.

At the evening service the new Presiding Elder, Rev. A. A. Hollister, preached to a considerable congregation, this being his first visit to Pikeville. On Monday morning Elder Hollister held the regular Quarterly Conference.

### DEFINES "GERRYMANDER."

It is said the question, What is the meaning of the term, "Gerrymander," was put to several teachers at the recent teachers' examination held at Pikeville and that one teacher answered that it was furnishing munitions of war to the enemy, particularly as the Dupont Powder Co. does it; and another said it is the notoriously fair and honest way elections are held in Pike-co., while a third solemnly declared that Gerrymander was a close relative to Salamander.

### FUNERAL SERVICE FOR MINDA HONAKER.

The funeral service over the remains of Aunt Minda Honaker, who died on the 17 day of March, at the ripe age of 75 years, was held at the Academy, near Coal Run, last Sunday morning. A large congregation from different parts of the county were present, the deceased being well and respectfully known, and many young people came to pay their last respects to a very dear old lady and friend. Many also from Pikeville attended, including Mrs. Barbara Marra, S. M. Cecil, and Mrs. Honaker's son, Robt. O. Honaker, who is a contractor and builder of this city and his wife and daughter, and a number of others.

The funeral sermon was preached by Rev. R. T. Gillespie.

### NEW CITY CENTRAL PHONE OFFICE.

N. Starkey, manager for both the Eastern Kentucky Home Telephone Co. and Sandy Valley Telephone Co., is now replacing the lines of both of these companies in the city with cable service. He now has a force of men at work erecting poles and other equipment for the new service, which will be complete and ready for use within two months. The central office will be in use over J. E. Yost's store will also be discontinued and all the office equipment will be moved to the new quarters over the postoffice, Starkey having recently purchased this building, and as soon as the cable lines have been made ready for use the entire service for these two companies will be managed and operated from the new central office.

### THAT CITY DELIVERY IS COMING.

The Post Office Department at Washington has not receded from its original offer, as some have thought, to install a city mail delivery service at Pikeville. The Department is only waiting for the officials at Pikeville to answer that they have complied with all the requirements, such as numbering the houses, supplying mail receptacles, etc., and as soon as a few minor details have been arranged, the Department will forward instructions for starting the service. The city has been presented, as we are informed by the Mayor, of a supply of boxes to receive the mail, and one has already been placed at each home. These receptacles as we are informed, are a gift from the New Drug Store.

Detailed arrangements are about complete, and the service will be inaugurated within the next few weeks.

### VOLUNTARY MANSLAUGHTER.

Henry Blankenship was convicted by a jury in the Pike Circuit Court last Friday of voluntary manslaughter. He was tried for the killing of Alfred Wolford in this county last April. The trial consumed several days, and a number of speeches were made by lawyers on both sides.

The conviction implies a sentence to the penitentiary of from fifteen to twenty-one years.

### ROYAL ARCH CHAPTER GIVES BANQUET.

The Royal Arch Chapter of the Thos. E. Cecil Lodge of Pikeville entertained its members and visiting brethren and friends at a sumptuous banquet at Hotel Jefferson last Friday evening. The dining room of the hotel was beautifully decorated, and a large number of Masons and their families and friends were seated around two long tables. This was one of the greatest fraternal events ever held in the Sandy Valley.

Hon. F. A. Hopkins of Prestonsburg, former Congressman from this district, and one of the leading lawyers of the Sandy Valley, was the chief speaker of the occasion, and he made an interesting revelation of local fraternal history, he being thoroughly conversant with the history and work of every lodge in the Valley. He was followed by J. S. Cline, Revs. J. Russell Crawford, M. C. Reynolds, Geo. F. Tinsley, Wade Rowe, and Mr. James Renfro.

### BOY MINISTER TO HOLD REVIVAL.

Perhaps the youngest revivalist in America is 17-year old Ralph Grizzle, of Chesapeake, Ohio, who will conduct a series of Holiness revival meetings at the Island creek Tabernacle beginning next Wednesday night, Oct. 6th. The Tabernacle is located only a

short way from Pikeville, and the usual crowd of visitors from the city will attend to hear the youthful preacher expound the gospel.

Young Grizzle formerly lived in this city, his father having been pastor of the First Methodist church here five years ago. The boy now has four Ohio churches under his charge; namely, Coal Grove, Rock Camp, Centenary and South Point. In the revival here he will be assisted by Rev. M. C. Reynolds and others of this place, and Miss Faith, Claire, of Coulton, Ky., will be his choir leader and will conduct the singing.

### TWO MEN KILLED ONE DYING.

Alvin Estep was arrested on Knox creek and brought to Pikeville Monday on a warrant charging him with the killing of Harrison McCoy, Sr., aged about 60, and his son, Harrison McCoy, Jr., and the perhaps fatal wounding of Green McCoy, a relative of the other victims.

The killing occurred at the home of the McCoy's on Knox creek last week. It is said the McCoy's had used some unbecoming language to some of Estep's women folks, and this is given as one of the motives for the triple tragedy. According to the story, Estep was at home, and the McCoy's, who were said to have been drinking came along and began a conversation which developed into a quarrel. Estep, it is said, took up a shotgun and shot the elder McCoy in the head with one barrel and turned the other on Green McCoy, killing the former and perhaps mortally wounding the latter. Young Harrison McCoy was struck down with an ax, and died instantly.

Estep then made his escape into Virginia, but later returned and gave himself up to the Pike-co. authorities, and was brought in by deputy Sheriff Nelson Hunt.

### KEITH'S ANNIVERSARY.

An event of unusual interest occurred at the old Buckley place near the mouth of Buckley's creek in this county last Saturday. It was the 42nd anniversary of the wedding of Mr. C. B. Keith of Oklahoma, who many years ago was a citizen of this county. He emigrated with his wife to the West at once after his marriage, and is now here to visit friends after a long absence. His wife died only a short time ago. The anniversary was in the nature of a reunion of relatives of both Mr. Keith and his deceased wife. A large crowd was present, and all enjoyed a sumptuous dinner specially prepared for the occasion.

### POPULAR YOUNG COUPLE WEDDED WEDNESDAY.

A very short courtship ended in an early-morning wedding Wednesday, the contracting parties being Miss Madge, the pretty and popular 19-year old daughter of Mr. and Mrs. James Dameron of Yeager, this county, to Mr. Ruey Culbertson, son of W. W. Culbertson, former student of Pikeville and present employee in the clerical department of the Consolidation Coal Co. at Jenkins.

The ceremony was performed by Rev. J. H. Vinson of the M. E. Church, South, at the home of Geo. W. Pinson on Scott-av. at 6 o'clock a. m. Wednesday, about 30 guests being present. The bride was elegantly dressed in a blue traveling costume, and the groom was attired in black. The ring ceremony was most impressive; and at its conclusion many congratulations and good wishes were offered.

The young couple left by the early train for Jenkins, where they will establish their future home.

### MOONLIGHT SCHOOL AND HUMANE SOCIETY.

The little town of Etty, on Shelby creek has performed a great service for all the requirements, such as numbering the houses, supplying mail receptacles, etc., and as soon as a few minor details have been arranged, the Department will forward instructions for starting the service. The city has been presented, as we are informed by the Mayor, of a supply of boxes to receive the mail, and one has already been placed at each home. These receptacles as we are informed, are a gift from the New Drug Store.

Detailed arrangements are about complete, and the service will be inaugurated within the next few weeks.

How would it do to follow Etty's example and have Miss Dora Riddle, who founded both the moonlight school and Humane Society at Etty, try to humanize our beastly teamdrivers and promoters of other cruelty at Pikeville? There is no greater recommendation for a community or town than to have it said that it has a Humane Society, and there is not a more disparaging remark than to have it said that it is without one.
